

Workplace Violence Prevention Services

- **Workplace Violence Prevention Plan (WVPP)** tailored to your company to align with California's requirements
- **WVPP written to match your HR and safety policies.** We design the plan to integrate with your company philosophy and existing policies – we don't build your plan in a vacuum
- **Written Plan in Word includes:**
 - All applicable Appendix Items, including a Code of Conduct, Inspection and Investigation forms, and the Violent Incident Log (in Excel)
 - PowerPoint training template based on the Plan
 - Training/Video script for those who want to conduct their own training
 - Preliminary information (Addenda items) on SB 428, scheduled for introduction Jan 2025.
- **Optional Services include:**
 - Training Video (English and Spanish available) to match your plan (8 to 10 minutes in length)
 - WVPP translation to Spanish
