SDS Manager

Create a safer workplace with easy access to your Safety Data Sheets.

OSHA guidance states that businesses that store hazardous substances should make Safety Data Sheets accessible within 5 minutes in the event of exposure. With SDS Manager from Novara, employees will have quick and easy access to SDSs, reducing the time needed to understand:

Initial first aid measures in case of bodily exposure

Containment measures in case of accidental release

Fire-fighting measures in case of accidental combustion

With SDS Manager:

» Safety Managers import SDSs from a database of over 70 Million SDSs to create a customized library.

» Employees access SDSs within seconds – even when offline or in the field.

» Print pre-populated secondary container labels for GHS compliance.

» Comply with OSHA's Right to Know and Hazcom requirements.
