## 24/7

## WORKPLACE INJURY REPORTING & NURSE TRIAGE

### About Our Service

Get immediate access to experienced registered nurses anytime, day or night. Our U.S. based nurses will assess your employee's symptoms, provide trusted medical guidance, and direct them to the right level of care.

#### Our Services

##### 24/7/365 AVAILABILITY

Round-the-clock nurse support, every day of the year.

##### REGISTERED NURSE TRIAGE

Experienced RNs assess symptoms and utilize Schmitt-Thompson evidence-based guidelines to recommend right level of care.

##### WORKPLACE INJURY SUPPORT

Immediate guidance for workplace injuries and incidents.

##### CARE NAVIGATION

Get directed to the right level of care—whether it's self-care advice, occupational medicine clinic, or emergency department services.

#### Why choose us?

CarivaCare, Inc. provides trusted 24/7/365 nurse triage services for workplace injury reporting. Our experienced registered nurses are available around the clock to assess, advise, and direct your employees to the right level of care.

U.S. based licensed Registered Nurses

Our nurses guides employees in the right direction assuring medical treatment is appropriate and administered timely.

Improved employee outcomes

Approximately 38% of calls do not result in a workers' comp claim filed

Reduction in reporting lag time

800.274.1102

One call. The right care. Right away.
