Nick comes to the Risk Management team at Heffernan Insurance Brokers from a large thirdparty administrator where he was a senior workers compensation examiner for 9 years. During his tenure as a Senior Examiner, he handled California claims for large national accounts such as Public Storage, Colgate, Express LLC, and Eaton. He also gained exposure to numerous industries including retail sales, storage, transportation, distribution, security, building maintenance, mining, manufacturing, assisted living, food service, etc.

His claim management experience includes claim investigations, litigation management, settlement negotiations, subrogation and catastrophic injuries.

WHY HEFFERNAN INSURANCE BROKERS

Headquartered in Walnut Creek, California, Heffernan Insurance Brokers has nationwide presence offering comprehensive business insurance, personal insurance, employee benefits, and financial services products to a wide range of businesses and individuals. With a strong focus on organic growth, supplemented by select acquisitions that truly complement our culture, Heffernan has experienced consistent growth for three decades.
